EXPERIENCE

Concierge   2017 – 2019
Noble House Hotels and Resorts   Teton Village, WY
Assured the highest caliber of guest experience for all guests of the lodge. Maintained the most up to date information on community events and area attractions. Held the responsibility of billing and invoicing guest accounts, managing schedule coordination between guests of the lodge, contracted vendors, and upper management of the property, and maintaining positive relationships with all of our vendors and partners.

Customer Service Representative   2014 – 2016
Jackson Hole Mountain Resort   Teton Village, WY
Managed monetary transactions while assisting customers through the process of renting equipment in a widely renowned gear rental store at JHMR. Delivered a superior customer service experience for the guests of the shop and resort.

GIS Technician   2014
CACI International Inc.   Fort Collins, CO
Created maps for contracted partners. Facilitated the practical application of geographic spatial information by interpreting and managing digital land data.
